

The 4th Annual Fly Fishing Expo

Presented by the Gulf Coast Council

April 9 & 10, 2010

New Braunfels Civic Center

The Gulf Coast Council Expo is just around the corner and it is time to purchase your tickets to the many workshops and events that will be available. This year, we will be offering 50 sessions that will include classes and workshops on almost every topic of interest to all fly fishermen.

Special Events

On Friday night we will show the all new 2010 Drake Magazine Fly Fishing Film Tour. Members of the audience will enjoy a fajita dinner catered by Pappasito's during the presentation. On Saturday night, we hold our Banquet. Join in to celebrate our sport and support the conservation and educational programs carried out by the Gulf Coast Council. You won't want to miss the outstanding silent and live auction. When you register on line, don't pass up the opportunity to buy your raffle tickets for a 5 night, 4 day fishing trip for two to the fabulous High Lonesome Ranch in Debeque, CO. Food, lodging and guides are all included and you're not likely to ever have better odds to win a trip like this.

Registration

This year, registration is easier than ever with the online registration form on the GCC web site. Here is a tip for those of us who are not used to interacting with cyber space. If you're under 40, you can skip to the next paragraph. Go to <http://www.gulfcoastfff.org/> click on view workshops and browse the offerings to select the ones that interest you (about one half of them are free). Make a note of their numbers. Click on "register online" and then on "show involved" or "general public". You will select the type of attendee that you are and then click continue shopping. Next, you will browse 4 activity categories and make your selections. The women's outreach event is located in the meal events section as are the Fly Fishing Film Tour and the banquet. Check out the raffle details in the auction and raffle section. To facilitate finding the workshops you want to attend, you have a choice of listings by day or by type. Note the digital photo contest at the top of the page for you shutterbugs and then proceed to checkout. Space is limited for all events so don't wait too long.

Accommodations

On the first page of the web site, you will find information about reduced rates at our host hotel and information about other lodging, camping and RV parks in the neighborhood. Never has a fly fishing event offered so many choices to Texas anglers. Be a part of it –spend some quality time with old friends, meet some new ones, learn some new tricks, and have some fun.
